Hi Edith,

This is the instruction for you to claim the Successlife tokens you have bought.  
Firstly, it is great that you have already completed the KYC. Now, you can register an account on <https://store.successlife.com/>, simply click "forget your password".

Secondly, you would need to create an Ethereum wallet.  
Here is the video tutorial: <https://www.youtube.com/watch?v=sD-3a5Ggjqk>

Lastly, submit the wallet address to us via <https://store.successlife.com/> and we will issue the tokens to you in 3-5 working days.

Kind regard
