Hi Clarence

Please see my emails below which have not been replied to date. I would appreciate it if there is someone in your company who can resolve my issue.

I've been very patient with the development and would like to know what is the status of the Success Life crypto coins. I don't know where they can be traded and if so, where and how much they are worth. Where can I get updates?

I'm looking forward to an early reply. Thank you.

Best regards

Hi Mr. Lam,

You no longer need to access the website that you have stated, as you have already completed the step. Upon checking your account, you have yet to submit us a public address. Please create an Ethereum wallet and submit the address to us via store.successlife.com

Here's a video to guide you with the wallet creation process. <https://youtu.be/sD-3a5Ggjgk>

We will issue the tokens within 3-5 business days, upon receiving your public address.
